

## Anti-COQ7 Antibody (Detection)

| Catalog #           | Source                                                                                                                | Reactivity        | Applications |
|---------------------|-----------------------------------------------------------------------------------------------------------------------|-------------------|--------------|
| CAP1845-D           | Mouse                                                                                                                 | H                 | SE           |
| Description         | Mouse monoclonal detection antibody to COQ7                                                                           |                   |              |
| Immunogen           | Recombinant protein of human COQ7                                                                                     |                   |              |
| Purification        | The antibody was purified by Protein A/G affinity chromatography.                                                     |                   |              |
| Specificity         | Recognizes native and recombinant human COQ7 protein                                                                  |                   |              |
| Clonality           | Monoclonal                                                                                                            |                   |              |
| Conjugation         |                                                                                                                       |                   |              |
| Form                | Mouse IgG1. Liquid in 0.01M Phosphate Buffered Saline, pH 7.2, 0.09% Sodium Azide.                                    |                   |              |
| Dilution            |                                                                                                                       |                   |              |
| Gene Symbol         | COQ7                                                                                                                  |                   |              |
| Alternative Names   | Ubiquinone biosynthesis protein COQ7 homolog; Coenzyme Q biosynthesis protein 7 homolog; Timing protein clk-1 homolog |                   |              |
| Entrez Gene (Human) | Entrez Gene (Mouse)                                                                                                   | Entrez Gene (Rat) |              |
| 10229               |                                                                                                                       |                   |              |
| SwissProt (Human)   | SwissProt (Mouse)                                                                                                     | SwissProt (Rat)   |              |
| Q99807              |                                                                                                                       |                   |              |
| Directions for Use  | Recommmended pair for sandwich immunoassay - Capture: CAP1845-C;<br>Recommmended standard protein: CST1845            |                   |              |
| Storage/Stability   | Shipped at 4°C. Upon delivery aliquot and store at -20°C for 1 year. Avoid freeze/thaw cycles.                        |                   |              |

**Application key:** E- ELISA, WB- Western blot, IH- Immunohistochemistry, IF- Immunofluorescence, FC- Flow cytometry, IC- Immunocytochemistry, IP- Immunoprecipitation, ChIP- Chromatin Immunoprecipitation, EMSA- Electrophoretic Mobility Shift Assay, BL- Blocking, SE- Sandwich ELISA, CBE- Cell-based ELISA, RNAi- RNA interference

**Species reactivity key:** H- Human, M- Mouse, R- Rat, B- Bovine, C- Chicken, D- Dog, G- Goat, Mk- Monkey, P- Pig, Rb- Rabbit, S- Sheep, Z- Zebrafish
